[redacted],

The Fargo-Moorhead and Upstream (FMUS) agreement was terminated by the co-sponsors in January, 2013, before a Feasibility Report was completed.

A FMUS Phase 1 Summary report is referred to in the Fargo-Moorhead-Metro (FMM) Final Environmental Impact Statement (FEIS). This summary report is posted on the International Water Institute's Website at:

[http://www.iwinst.org/feasibility/FMUS\\_Phase1\\_summ\\_final.pdf](http://www.iwinst.org/feasibility/FMUS_Phase1_summ_final.pdf)

This is the only FMUS document available.

If you have any questions, or require further information, please contact me.

Thank you for your interest.
